

The Vanguard Network Announces a New Program: How do we lead in the new world of the workplace?

A Vanguard Network Dialogue with Viq Pervaaz and Kristi Frank

NEW YORK ([PRWEB](#)) July 23, 2021 -- The Vanguard Network today announced an interactive Forum for C-Suite leaders, looking at emerging best practices in creating a high performance work environment.

The pandemic has changed forever how people will work. But how should leaders respond to the new dynamics, including balancing remote and office working, creating teams among differently located colleagues, assuring accountability, and much more?

Leading the session will be:

Viq Pervaaz, a partner at EY based in NYC, with expertise in leadership development. He will share new research and trends in creating a high performance environment.

□□ Kristi Frank, who is VP of procurement and business services at Novo Nordisk. She has been working with Viq and his team to identify the best way forward for her organization.

“Senior leaders are facing an unprecedented shift in workforce dynamics, precipitated by social distancing and restrictions on travel,” said Ken Banta, founder and principal of The Vanguard Network. “Maximizing team effectiveness and productivity in this new environment will be critical to success.”

This event is open to members of The Vanguard Network. Other C-suite healthcare leaders can request an invitation and learn more about membership are at https://bit.ly/LE2021_0728linkedin

The conversation is one of an array of membership benefits of the Vanguard Network, which organizes events, publishes content and connects C-suite leaders.
