

A \$100 Million Grant Could End Homelessness in America

Learn How, with Rosanne Haggerty of Community Solutions in A Vanguard Network “Leading From Experience” Forum

NEW YORK ([PRWEB](#)) June 09, 2021 -- The Vanguard Network today announced that nonprofit superstar Rosanne Haggerty will share leadership lessons in an interactive Forum for senior leaders on June 14.

Rosanne and her team at Community Solutions set the audacious goal of ending homelessness in America and have the methodology and proof points to show how it can be done. The MacArthur Foundation agreed, awarding the organization \$100 million. More than 700 organizations applied for the grant, which is intended to “fund a single proposal that promises real and measurable progress in solving a critical problem of our time,” according to the MacArthur Foundation.

This Leading From Experience dialogue will focus on leadership and transformation, and will be relevant to both business and not-for-profit leaders.

“Rosanne will talk about what it takes to motivate and sustain change,” said Ken Banta, founder and principal of The Vanguard Network. “As we know, this is perhaps the biggest challenge every effective leader faces.”
