

The Vanguard Network Launches a New Global Dialogue Series for Senior Healthcare and Life Sciences Leaders

The series, designed to foster international leadership skills, kicks off on March 2 with Richard Schatzberg, Chief Commercial Officer of NeST Technologies

NEW YORK ([PRWEB](#)) February 16, 2022 -- What does it take to be a global leader? The Vanguard Network will explore this topic in an interactive online discussion on March 2 at 8 to 9:30 PM Eastern Time. Designed for leaders who aspire to a global role, the event features international executive Richard Schatzberg, Chief Commercial Officer of NeST Technologies.

“In this interconnected world, there are unprecedented opportunities for capable leaders to succeed internationally.” said Ken Banta, founder and principal of The Vanguard Network, and a seasoned global healthcare leader himself. “I’m excited about bringing together talented individuals who want to spread their wings in a wider role.”

The 90-minute session will include an in-depth dialogue with Richard about becoming an international leader at NeST Technologies and the challenges or benefits that come with it. In addition we will host a small group simulation to solve hypothetical problems encountered in global leadership roles.

This dialogue is one of an array of membership benefits of <http://www.thevanguardnetwork.com>, which organizes events, publishes content and connects C-suite leaders.

Senior leaders may request an invitation to the Forum at <https://www.thevanguardnetwork.com/030222>
